

Imagine That! Sew Exciting!

Join us this spring for our amazing Sew Exciting for Fashionistas fashion design and sewing class!

New this spring: **Ultimate Upcycling!** Channel your child's creativity while learning how to reduce, reuse and recycle! Ultimate Upcycling features ALL NEW sewing projects and will focus on developing practical sewing skills by using every-day items that may have wound up as trash and turning them into something brand-new, beautiful and useful!

Grades: 2nd-4th

Day: Thursday

There are many elements to Sewing and Fashion Design.

Students will work on understanding:

- ◇ Hand sewing skills
- ◇ Creative planning and design
- ◇ Fabric manipulation and tool use.
- ◇ Accessorizing

Students will learn these basic skills by:

- ◇ Learning 4 stitches and when to use them
- ◇ Learn how to attach buttons, embellishments, and more!
- ◇ Creating a felted bookmark, a "piggy bank" coin purse, and a travel Tic-Tac-Toe game board by turning items that may have gone the way of trash by turning them into treasures such as paperclips, scraps of ribbon and extra buttons
- ◇ Exploring creative designs by drafting our own patterns for items such as wearable headbands made from re-purposed clothing material!

Come see what your child can create!
