

Imagine That! and Future Tech

Watch the love for technology spark in your child as we make learning FUN!
Specializing in STEAM programs! This is how we are meant to learn!

FIRST LEGO League

Come join the excitement as we compete with students around the world in this years FLL Challenge!
Open for 7th and 8th Grades 2 HOUR PROGRAM

FLL CLUB Details

Get ready. Get set. Roar! Or you could bark, quack, or squeak, because the 2016 ANIMAL ALLIESSM season is all about our furry, feathered, and finned friends. In the 2016 FIRST[®] LEGO[®] League Challenge, more than 28,000 teams of students age 9 to 14* will look into the eyes of our ANIMAL ALLIES. What might become possible when we learn to help each other?

Tomorrow's innovators practice imaginative thinking and teamwork. Guided by two or more adult Coaches, FIRST LEGO League* research a real-world problem and are challenged to develop a solution. They also must design, build, program a robot using LEGO MINDSTORMS[®], then compete on a table-top playing field.

Imagine That! and Future Tech will provide the head coach. Your team will need at least one other assistant coach that will commit to being available each session and go to the competitions with the team. Our coach will not attend the competition.

Fees:

Per child fee: \$324 for 9 weeks of coaching 2 hours per week. This will be paid upon registration.

Team fees: These fees will be divided between total number of students per team. The final cost will be dependent upon the total number of members. Minimum number is 5, maximum of 10. This fee will be due once team is formed.

- The total team fee for registration and mat is \$300
- Fee per competition: \$25. The total number of competitions will depend upon how far the team goes.
- Assistant coach background check: \$25.
- If teams want to practice with assistant coach outside of schedule time you may lease an EV3 robot for \$225 for the session or use a students robot.
