

Imagine That! and Future Tech

Watch the love for technology spark in your child as we make learning FUN!
Specializing in STEAM programs! This is how we are meant to learn!

Robotics Club

Imagine That! &

FUTURE TECH

This is an amazing program for Robotics enthusiasts. In order to focus on programming and robotics the class will be longer and the sessions shorter. The classes will be limited to 10 children. The first session will be open to all students Grades 2nd and 3rd and the second session will be open to students Grades 4th and 5th.

Robotics Club for Grades 2nd-3rd Fridays 1 hour and 30 minutes 7 week session

LEGO® MINDSTORMS® NXT Robotics:

All NEW activities for Spring! *Must be 8 or older for this program

Watch your child get in touch with their inner creative/builder-programmer and excel while learning the basics of designing a robot, building the robot to their own specifications and experiencing the satisfaction of programming their robots to perform.

Using the “Domabot” we will open the door to the NXT programming environment. Learning the components of a robot and discovering the flow sequence of a series of commands will allow your students to advance to the programming challenges. Can your child’s robot do the Wave? If all robots are doing the Wave, why aren’t they programmed the same? Let’s answer these questions together!!

Robotics Club for Grades 4th-5th Fridays 1 hour and 30 minutes 7 week session

LEGO® MINDSTORMS® EV3

All NEW activities for Spring! Our older robotics students’ will further their experience in programming with MINDSTORMS® EV3’s as we use new designs in our creation and building of robots in a team based environment.

Our Ev3 classes will employ the use of the Riley Rover bot. With this robot, we will examine the components of a robot and use flowcharts to create command sequences. With additions to the Riley Rover bot your student will advance through a series of challenges that include different sensors and programming blocks! How does time affect distance? Why are rotations not accurate when programmed? We’ll answer these questions and more!

Program	Day and Time	Dates	Fees (Early/Regular: After 1/5)
Robotics Club Grades 2-3	Fridays 4:15-5:45	Jan 20—March 10	\$200/\$220
Robotics Club Grades 4-5	Fridays 4:15-5:45	March 17– May 5	\$200/\$220

Imagine That! and Future Tech Registration Form™ EASY on-line registration at www.imaginetthatfun.com

Child's Name _____ Date of Birth _____ Grade: _____ School: Kennesaw Charter

Teacher's Name: _____

Allergies or Med. Concerns: _____

Street Address: _____ Zip code: _____

Mother's Name: _____ Home #: _____ Work: _____ Cell: _____

Father's Name: _____ Home #: _____ Work: _____ Cell: _____

Parent's Email address: _____ (for confirmations and information!)

Emergency & Pickup Information: _____ Relationship? _____

May we have permission to photograph your child? Yes No

Would you like an Imagine That T-shirt for \$10? No Yes: Please circle Size 6-8 10-12 14-16 Adult small

My child is registered for the **After School Program:** Yes No

After class my child will be: _____ returned to ASP _____ Picked up

If not registering on-line-this registration form and fee (made payable to Imagine That!) should be:

• Mailed to 6365 Spalding Drive Suite E, Peachtree Corners, GA 30092 For office: Date received: _____

• or Faxed with Credit Card to 855-867-5705 **DO NOT LEAVE AT YOUR CHILD'S SCHOOL**

Total enclosed or to be charged (please note early registration deadline): _____ Check Number: _____ or

() Visa () Master Card () Discover () American Express (Note may register on-line: www.imaginetthatfun.com)

Card Number: _____ Expiration: _____ CVS code: _____

Name on card: _____ Signature of Cardholder: _____

Billing Street address if different from above: _____

Refund Policy: Refund will be given minus \$60.00 processing fee up to **one week** before classes begin. Due to staffing considerations, no refunds will be given within one week before classes begin. Request must be by EMAIL.

I understand that my child must abide by the **Behavior Contract** and may be removed from the program without refund if behavior is not appropriate for the safety and learning of the other students in the class. All efforts will be made to work with parent and child.

I agree with the Release of Liability as shown on our web page at: www.imaginetthatfun.com/class_release_form.pdf

By submitting this registration, I note that I hereby understand the terms above and agree to abide by them.
