

GET TO KNOW OUR WONDERFUL AFTER SCHOOL TEACHERS!

We have a wonderful group of teachers this year! You will be amazed at the diverse education and experience that our teachers bring to your students.

The list is alphabetical by last name, so please scroll down to find the name of your child's teacher. We look forward to a great summer experience with you. Remember, we always want to hear from you so tell us about your experience!

Corinne Summerill (Supply Manager and Teacher): Hello! My name is Corinne Summerill and I look forward to teaching your child this semester! I recently got my Master's Degree in Biological Sciences from Florida State University. In my spare time, I enjoy cooking, sewing, playing video games, and playing with my cat Pirate.

Forrest Evans: Salut! I am Ms. Forrest Evans and am wholeheartedly excited for making new memories and learning with your child. I recently earned my Master of Library and Information Science from the University of Alabama and, also, work in the CNN Library. I enjoy exploring new ideas and cultures, reading comic books, and understanding the world around me. I have worked with similar communities and students in just about every corner of Georgia. I can't wait to share what I know with others and begin the new year!

Jeremie Lotemo:

My name is Jeremie Lotemo and I have had the privilege of being an Afterschool teacher a few years back and I am excited to be teaching again. It's something I would love to do overseas in foreign countries. I was excited about expanding my role, knowing I'll be actually be teaching and creating new ways for your child and I to learn has me excited! As a current Graphic Design major at Georgia State, I am excited about joining such a creative company. Together with a team of amazing and creative teachers, I am committed to providing your your child with a loving and fun sound foundation. Thank you for the opportunity definitely look forward to learning and growing with your child.

Jordan Dobson: Hi there! I'm Jordan and I am thrilled to be your child's after school technology instructor. I am an Environmental Engineering major at Georgia Tech. I've worked with technology, robotics, and programming for almost 10 years now, and have worked with children teaching technology, math, and science since I was in high school. I can't wait to see the fun and learning this semester will hold!

Kayla Gronewold: Hi there! I'm Kayla Gronewold and I'm looking forward to teaching this semester. I'm originally from the tiny town of Mendon, IL but now I'm a third-year at Georgia Tech working towards a degree in Mechanical Engineering. My favorite things are playing my saxophone, Disney, roller-coasters and cats. This is my first year with Imagine That! and I am very excited to get started!

Kaleb Bishop: Hi! My name is Kaleb Bishop and I'm excited to be your child's after school teacher this coming semester! I am currently working on my B.S. in Mathematics Education from Kennesaw State University and this will be my first year teaching with Imagine That! and Future Tech! My hobbies include music/marching band (I play the clarinet), theatre, tennis, hiking, reading, movies, and taking care of my dog Scarlett! I have a passion for teaching and I love science and math. I look forward to a very exciting semester of fun and learning with your child!

Mezbin Jasani: Hi! My name is Mezbin Jasani and I'm excited to be your child's after school teacher this coming semester! I have a B.S. in Economics from Georgia State University. My hobbies include playing (flag football and basketball), working out, traveling, and eating food. I absolutely love teaching and it's one of my passions. I'm beyond thrilled to a very exciting semester of fun and learning with your child!

Nia Parks: Hello guys! My name is Nia Parks and I am thrilled to be your after school teacher for the 2017-2018 school year! This is my first year teaching for Imagine That! and Future Tech and I am very excited to meet you all! I am currently a student at The University of West Georgia completing my Bachelors degree in Business Management and minor in Marketing! My hobbies include cooking, fitness, drawing, dancing, and so much more! I love children and while I don't have any of my own, I have ten nieces and nephews who are my world! I love everything teaching, caring for, and being a positive role model to our youth. Let's get ready for an amazing fun filled semester!

Ricardo Hernandez: Hi! My name is Ricardo Hernandez and I'm excited to be your child's after school teacher this coming semester! I'm a Mechanical Engineer, Woodworker, a little bit of a programmer, and a cook. In my free time I do outdoor sports, like biking and hiking with my two kids. I'm a strong believer that the best way to learn is through hands-on experiences, and I look forward to meeting your child and to have the opportunity to ignite the passion to build things!

Samantha Beasley: (Teacher Manager and Teacher at Imagine That!)
My name is Samantha Beasley and I am looking forward to teaching your child this semester! I graduated from Albany State University in 2012 with a B.A. in English and Professional Writing. I am currently pursuing a Masters in Elementary Education, I love teaching! I have been a mentor and tutor for years and take on an energetic approach to education. I'm looking forward to meeting all of you as well as your children!

Austin Schultz: My name is Austin Schultz. I have been with Imagine That! for almost 14 years now (my mother was a manager and teacher for Imagine That at the

beginning). I am a product of the program! I was an assistant starting at age 13 and I know every subject we teach! I have been teaching with Imagine That! As a teacher for several years, and I can confidently say that your children are going to have a blast and learn a great deal about science, technology, and Minecraft! I am currently in pursuit of a degree in Psychology and Criminal Justice.

Brittany Swiedler: (Education and Planning Manager at Imagine That!)

Hi! My name is Brittany Swiedler and I'm excited to be your child's after school teacher this coming semester! I have a B.S. in Psychology from the University of Georgia and have been teaching for Imagine That! and Future Tech for 8 years. My hobbies include sewing, video gaming (especially Minecraft!), and taking care of the 5 acre mini-farm my husband and I live on! I have a passion for teaching and I look forward to a very exciting semester of fun and learning with your child!

Theresa Williams: (Technology Manager and Teacher for Imagine That!)

Hi! My name is Theresa (the kids call me Ms. Theresa), and I am excited for another semester at Imagine That! I have been working for Imagine That! since May of 2010 as a teacher and I also work full time as the Technology Manager. Previously I have worked in the entertainment industry as a singer. I attended Columbus State University, Area Schools of Real Estate, and am now attending Kennesaw University for nursing. I realized a love of working with kids a long time ago and am continuously amazed that you can see a child learn through the expressions on their faces. It's very gratifying!

Vidad Zia: Hello! My name is Vidad Zia and I'm looking forward in being your child's after school teacher this coming semester. I have a B.A. in Arts from Edexcel UK and I have been teaching for 6 years. This is my first year teaching with Imagine That! and Future Tech! My hobbies include reading, cooking, sewing and traveling. I love teaching and I can't wait to have a very exciting semester of fun and learning with your child!
