Sewing and Art Class Details

Grades 2-5: Sew Your Art Out!

An exciting class for students who love to sew and want to let their creativity soar through arts and crafts!

Sewing:

- Everyone who sews needs a set of tools, so students will design a sewing kit from a paper box that they will decorate. Next they will gather and learn about their sewing tools. To complete their sewing kit, students create a needle case.
- Students will create little booklets containing information about different stitches and types of fabrics. We will learn 4 stitches and when to use them

- Learn how to attach buttons, embellishments, and more.
- Create a felted bookmark, a “piggy bank” coin purse.
- Make a travel kit for personal items.
- Explore creative designs by drafting our own patterns for items such as wearable headbands made from repurposed clothing material!
- Make a shoulder bag.

Arts and Crafts:

This year students will focus on drawing and painting skills as they learn perspective, shading, color mixing and more.
