Grades K-2 Robo Rangers: An Adventure into Coding, Stop Motion, Robotics and Machines

Click the name of class to read full details.

Coding: NEW! How great would it be if you had been able to start writing code at an early age? With Monster Code Schule and LOGO, students will learn algorithms, loops, sequences and conditionals on their way to learning to write code on their own.

Robotics: NEW! Boost Robots: We will be introducing our newest Robot during our class! Our students will build and learn to program as they go.

Programming: Fall brings new Adventure Bots for kids at Imagine That! with **Lego® WeDo Construction** sets! Exploring nature (and imagination) as they build, kids will Ride the rapids in the Canoe, Bungee Jump from the highest heights and learn to ski behind the Ski Boat.

Machines: With Lego Technic bricks our students will learn about simple machines; build different concepts, and learn that there are different types of simple machines.
